Things to Do: Walking, birding, wildlife viewing, jogging, photography, and picnicking.

Amenities: Lake, benches, wildlife viewing and mountain vistas. Street side parking.

What to Bring: Map, sun protection, layered clothing, flashlight, first aid kit, water, snack, cellphone, and personal identification.

Trail Etiquette: Have fun, be friendly and considerate. Leave what you find. Respect wildlife. Stay on trail.

Access Mode/Parking: By car and bike, Park on street.

Points of Interest: Lake Los Caneros Nature Preserve adjoins great family attractions like Stowe House, Railroad Museum, and taking rides on a model railroad.

What to Expect: 25 acre lake, open fields, and a network of trails that are primarily used for hiking, walking, nature trips, and birding. The park is accessible year-round.

This 140 acre park was once part of the original Rancho La Patera. The park features a series of loop trails, grassy fields, mountain views and includes a man-made lake, which attracts a rich variety of bird life.

The trails on the east side of the park are relatively flat. Take caution when walking on the west side of the park due to uneven surfaces and steep inclines.
